

## COOPERATIVE EUROPEAN GRAPEVINE MOTH (EGVM) QUARANTINE PROJECT COMPLIANCE AGREEMENT

### EXHIBIT W4- SHIPPING/STORING/PACKING/RECEIVING ESTABLISHMENTS: Hand Harvested Fresh Wine Grapes Systems Approach Located Within or Outside the EGVM State Interior Quarantine Area

#### Provisions for the Intrastate and Interstate Movement of Hand Harvested Fresh Wine Grapes Produced Inside the EGVM State Interior Quarantine Area

Establishment agrees to the following:

1. All shipments of grapes **grown inside** the quarantine area will be designated with a Certificate of Quarantine Compliance (CQC) upon arrival. Establishment must make a copy of the CQC available upon request by the Project.
2. All shipments of grapes **grown inside** the quarantine area must be segregated from EGVM host fruit **grown outside** the quarantine area.
3. Ensure each pallet containing grapes **grown outside** the quarantine area **and shipped from, packed, or stored inside** the quarantine area qualifying for **intrastate** movement has a pallet card/tag with the diamond stamp (see specifications below). The pallet card or tag must accompany the pallet for the duration of transit/shipment until received at final destination.
4. Ensure each final container of grapes **grown inside** the quarantine area qualifying for **intrastate** movement has a diamond stamp (see specifications below). The diamond stamp must accompany each container until received at final destination.
5. Each shipment of grapes **grown inside** the quarantine area qualifying for **interstate** shipment must be accompanied by a Certificate (Federal Shield).
6. Shipments of treated grapes must be accompanied by a certificate of treatment.
7. Once treated, grapes must have a treatment lot number identifying the treatment and a pallet card/tag identifying the source grower lot/vineyard, variety of grape and date for purposes of trace back activities. The pallet card or tag must accompany the pallet until received at final destination.
8. In vineyards where grapes have been inspected and a CQC has been issued, green waste associated with the inspected and certified grapes may move **intrastate** (within California) without further restriction and **can not be moved interstate**.
9. Grapes must be transported to final destination in refrigerated conveyances.
10. Shipments of grapes may not include any material other than grapes, such as: leaves, litter, culls, debris, etc. Grape bunches must be trimmed clear of all material other than grapes.
11. Maintain all records of each shipment from and within the EGVM state interior quarantine for a period of three years and make those records available to the Project upon request.
12. Ensure all employees receive training to be compliant with all specifications of this compliance agreement exhibit.

Shipments found to be in violation of the above stipulations are subject to being held, rejected, destroyed, or subject to other prescribed actions at the discretion of the Project.

## **EXHIBIT W4- SHIPPING/STORING/PACKING/RECEIVING ESTABLISHMENTS:** **Hand Harvested Fresh Wine Grapes Systems Approach**

The decal or stamp described below meets the EGVM quarantine certification requirements for intrastate movement as required in the EGVM Project Compliance Agreement and exhibit(s).

Packing and storage sheds must keep all EGVM host fruit produced inside the EGVM quarantine area segregated from fruit grown outside the EGVM quarantine area.

### **Inside the Quarantine Area:**

All EGVM host fruit **grown within** the EGVM quarantine area must be packed in containers that are labeled with a decal or stamp indicating the quarantine county's designated number (see diagram below).

All EGVM host fruit **grown outside and packed or stored within** the EGVM quarantine area must be packed on pallets that have a decal or stamp indicating the quarantine county's designated number placed on the pallet card/tag (see diagram below). Each pallet must contain a pallet card/tag. The pallet card or tag **must** accompany the pallet until received at final destination.

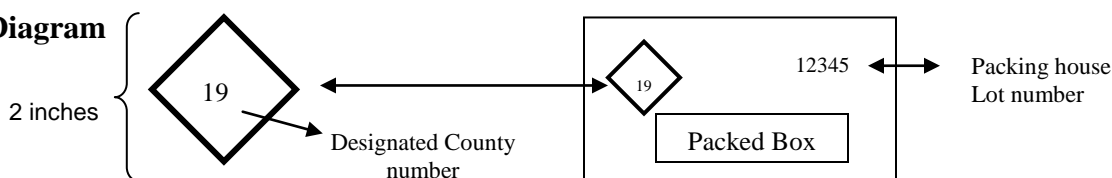

### **Outside the Quarantine Area:**

All EGVM host fruit grown within the quarantine area must be packed in containers that are labeled with a decal or stamp indicating the quarantine county's designated number (see diagram below).

### **Decal or Stamp Design:**

The decal or stamp will be diamond shaped and will be no less than two inches in height. The decal or stamp shall be located directly opposite the storage shed or packing house lot number on at least one visible side of the container. The font of the county designated number must be legible and shall not be less than ½" in height. The ink color used to make the decal or stamp must contrast with the color of the container.
